HOBBIES

PROFESSIONAL SUMMARY

Enthusiastic and dedicated fresher with a strong foundation in front-end development technologies, including HTML,CSS, and JavaScript. Eager to apply my academic knowledge and practical skills to contribute to innovative web projects as a Frontend Developer. Passionate about creating visually appealing and intuitive user interfaces that provide exceptional user experiences. A fast learner and effective communicator, I am excited to collaborate with cross-functional teams to bring creative designs to life. Seeking an opportunity to learn, grow, and make a positive impact in a dynamic development environment.

EXPERIENCE

Software engineer intern(via forage)

2022 - 2022

India, New Delhi

Experience in data analytics using python, interface with a stock price data feed, used JP Morgan Chase frameworks and tools to display data visually for traders.
